MASNOON DUA

40 Authentic Masnoon Dua

TO WHOM IT MAY CONCERN

"We encourage everyone who purchases from us, that even though we add the transliteration (as a help and guide) for those who can't read Arabic yet, to try to read from the Arabic even if you can a little and are struggling. As the Hadith mentions

'Verily the one who recites the Qur'an beautifully, smoothly, and precisely, he will be in the company of the noble and obedient angels. And as for the one who recites with difficulty, stammering or stumbling through its verses, then he will have twice that reward'

'Whoever recites a letter from the Book of Allah, he will be credited with a good deed, and a good deed gets a ten-fold reward. I do not say that Alif-Lam-Mim is one letter, but Alif is a letter, Lam is a letter and Mim is a letter.'

Your every try will be written as a reward for you and evening more so because you struggled-yet tried to read the words of Allah which were revealed in Arabic. And on that note, if you can't read the Arabic at all, take this opportunity to learn to read the language of our prophet, the language chosen by Allah to reveal The Quran; which are directly His words and increase your rewards to elevate your status in deen. Reading from the transliteration is inaccurate and can mean you end up pronouncing the words wrong and therefore changing the meaning of the Dua. So we strongly advise to learn how to read Quranic Arabic under the guidance of a teacher and be amongst the company of the noble angels!"
